Cheers for the **Land Rover Great Meadow International FEI Nations Cup™ Eventing**, presented by **Adequan** — the first-ever Nations Cup™ of eventing to be held outside Europe! Great Meadow set a spectacular stage for this history-making event, July 6-8, in The Plains, Virginia. Teams from Canada, Great Britain and the USA contested the Nations Cup™ CICO\*\*\* with individual combinations from Australia, Puerto Rico, and the USA rounding out 40 starters. LRGMI-2016 owes its success to event co-chairs **David O'Connor** and **Darrin Mollett (Beverly Equestrian)**, Great Meadow president **Rob Banner**, many committee members, sponsors, volunteers, officials and media. Be sure to mark your calendar for next summer, July 7-9: Great Britain and Canada are already talking about it and, because it isn't a championship year, Ireland, France, and Germany have indicated their interest.
