"He is a really trustworthy horse, and he was absolutely amazing today. Overall, he was more relaxed than usual and had more of a flow. There were a lot of inside turns in the second round and he is still a little green, but was right there every time. This is his second year at 3'3", and I think he is ready to move up into the bigger derbies soon." ~ Merry Harding

"I knew this would be such a fun experience. I really just tried to have fun, and it turned out really well for me. Constantin is so hard-working and a very good listener. He was very adjustable today. That is what I like most about him."

"I had a lot of fun. Fairy is really sweet, and he's always a good boy for me. My favorite part of the day was the victory gallop!" ~ Emilia Richard
