## PBEC Helps Orphan Foal

On May 6, this little foal lost her mom. Three days before that, the mare Bella heartbreakingly lost her foal. Now, they have each other. PBEC thanks Jennifer Papiernik for sharing her sweet Bella with us so that this foal has a better chance, and our hearts go out to her and the foal's connections on their losses.

Click above to watch the video that shows how Dr. Justin McNaughten and his colleagues helped Bella and the orphan foal be introduced and "grafted." We are so proud of the entire PBEC team that made this happen!

## Wellington Winner

Congratulations to Juan Jose Bancalari (DOM), who rode his own Cascais HC, a 10-year-old mare (Diktator van de Boslandhoeve x For Pleasure) to win the \$24,999 Palm Beach Equine Clinic Grand Prix during the ESP Spring 4 show at Wellington International. Bancalari and Cascais HC were lightning fast in the jump-off to win over eight other double-clear rides and 14 total in the second round. Dr. Bryan Dubynsky of PBEC was on hand to present the award on behalf of PBEC.
